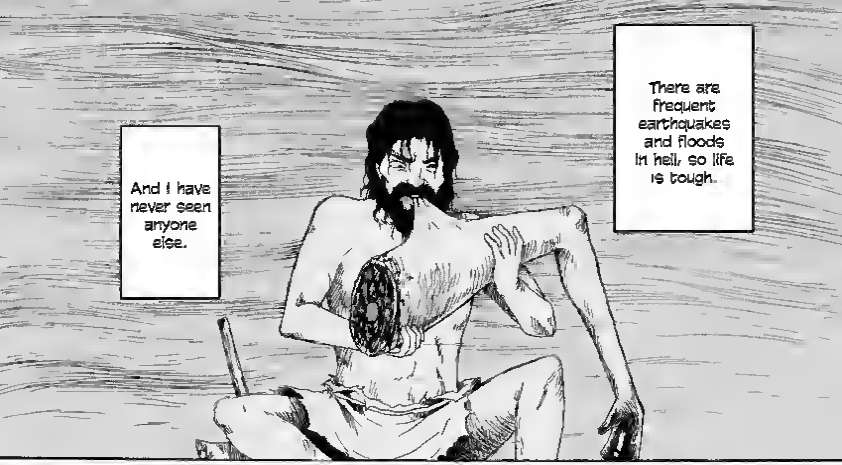
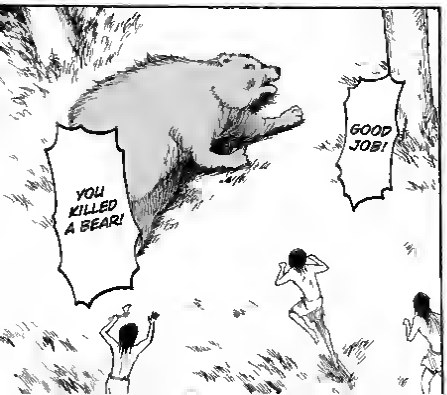
This place is hell.
I have lived here for a long time.
There is never any sun here.
And everywhere there is danger and strange beasts, which are my source of food.



There are frequent earthquakes and floods in hell, so life is tough.
And I have never seen anyone else.

My ability to survive here comes completely from the abilities I learned when I was young.



YOU KILLED A BEAR!
GOOD JOB!

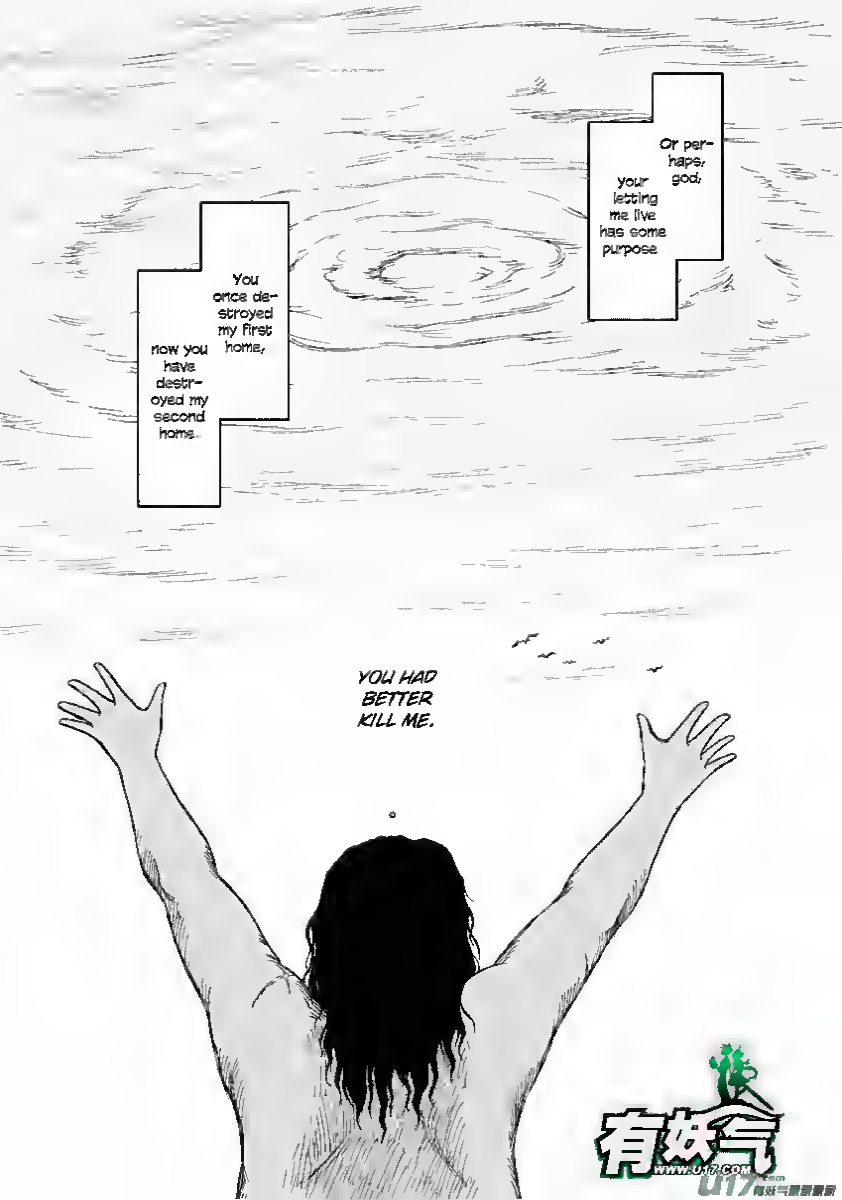
ROARING

But, one night ...
Our tribe was especially skilled at hunting and surviving in the wild.
At around ten I had learned a whole set of abilities.
Impressive, you will be the next clan leader.
I couldn't do
RUN AWAY!
A MONSTER HAS APPEARED!
HUH?
I'm still not sure what happened, but I died.
After, I arrived in hell and began this violent life.

But the animals appear to be becoming fewer in number,
which worries me.
Life has become a little better.
However, there haven't been any earthquakes or floods lately.
EH,
THIS IS...
I HAVE BEEN WANDERING IN HELL FOR SO MANY YEARS.
AND I HAVE NEVER SEEN THE EDGE.
A CAVE!

WILL GOD RELEASE ME?
COULD THIS BE THE EXIT FROM HELL?
I delved into the cave without any hesitation.
The cave became narrower and narrower, and the mist gradually dissipated as well.
I don't know how long I ran, but before me there was finally light.
SO BRIGHT
I crawl out.
IS THIS THE EXIT?

……
OVER THERE! SOMEONE IS COMING OUT!
WHAT? HOW CAN THIS BE!
In fact, I hadn't died
OUR ARMED FORCES SPENT A GREAT DEAL OF EFFORT TO KILL THIS THING COULD HE REALLY HAVE BEEN LIVING INSIDE?
THE MONSTER HAS ALREADY BEEN DEAD FOR HALF A MONTH
BY THE WAY HE LOOKS HE MUST HAVE BEEN LIVING IN THIS MONSTER S STOMACH FOR SOME TIME
I AM STILL ALIVE!
That night I had only been swallowed by the beast



Or perhaps, god,
your letting me live has some purpose
You once destroyed my first home,
now you have destroyed my second home.
YOU HAD BETTER KILL ME.
